

## **1. Overview**

## **2. Get Started**

Thank you for visiting Elggzone. You have downloaded 'Friends Gallery' and the downloaded folder should contain:

1. friendsgallery/
2. info/
3. friendsgallery-readme.pdf

**SUMMARY:**

This plugin provides a tabbed interface to friends views and adds a Friends Gallery view.

Link to Friends Gallery is added to friends widgets.

**INSTALLATION:**

Installing Friends Gallery is pretty straightforward, as with all Elgg plugins.

Upload friendsgallery folder to [www.yourelgginstallation.com/mod/](http://www.yourelgginstallation.com/mod/) and enable the plugin in Elgg admin panel.
